

YTI marks 45 years

YTI Career Institute celebrated its 45th anniversary Sept. 20 at its York campus, 1405 Williams Road, Springettsbury Township. At the celebration, the new Heating, Air Conditioning and Refrigeration Technology laboratory was unveiled with a ribbon cutting that was presided over by the York Chamber of Commerce. The new lab is a \$90,000 renovation that serves students in the Heating, Air Conditioning and Refrigeration Technology Program.
